Privacy & GDPR

General

The Dusil Photography brand is owned and operated by Gabriel Dusil, a privately held company with limited liability under the laws of the Czech Republic, registered with the Companies Registry under number 01132318 and at Mánesova 1633/74, 120 00, Prague 2, Czech Republic hereafter as the "Photographer", and is detailed at dusil.org, hereafter as the "website".

The Photographer process personal data in accordance with the General Data Protection Regulation (EU) 2016/679 (the "GDPR"). This GDPR policy ("Policy") describes how personal data is collected and how it is used by every "user" (also referred to as "you"). By accessing our website, the user agrees to this agreement. If the user does not agree with any of the terms in this policy, the user is prohibited from ordering products from the Website. The user is responsible for compliance with any applicable local or regional laws or regulations.

We reserve the right to change this policy at any time without notification.

Info Collected

For the purpose of delivering a high-quality service, we need to collect personal data. To maximize services to our customers, we collect personal data about you. By accepting this policy, you are giving us consent to process your personal data:

You have the option to consent to our communications ("Newsletter"). You can do so by entering your email address on our website. In this case, we will collect the following data about you:

- First & Last name
- Email address
- phone, or mobile number
- Confirmation that you are over eighteen years old.

We also collect additional personal data using Google Signals Data Collection which collects visitation information and associate it with Google information from accounts of users who have consented to this association for the purpose of advertisement personalization. This information may include end user location, search history, YouTube history, and data from websites that partner with Google - and is used to provide aggregated and anonymized insights into cross-device behavior.

Data Retention

Personal data is collected and processed for the above-mentioned purposes will be kept until you revoke your consent.

We will maintain personal data with information technology (aka. IT) security that is technically and financially feasible.

We may be obliged by law to disclose some data to public authorities. We do not transfer any personal data to third countries outside the European Union and/or the EEA (European Economic Area), unless required by law.

Your Rights

European Union Subjects • If you are located in the European Union then you have the following rights in connection with the processing of your personal data: (1) the right of access to your personal data, (2) the right to rectification of your inaccurate personal data, (3) the right to restriction to processing your personal data, (4) the right to the erasure of your personal data, (5) the right to object to processing your personal data, (6) the right to revoke your consent, (7) the right to data portability and (8) the right to lodge a complaint with a supervisory authority. We need to verify your identity when you make a request to exercise any of the rights mentioned above. Please submit a request via the contact page on our website.

Access to Data • You have the right to obtain information about the processing and a copy of your processed data, upon your request.

Right to Rectification • If you regard your personal data as incorrect or outdated, then you have the right to correct this data by contacting us with your new details, in case you cannot make the modifications yourself.

Restriction of Processing • As per GDPR Article 18, where the personal data under processing are inaccurate or you have objected to processing, you have the right to restrict said processing. For the period of the restriction, personal data shall only be stored with us and may not be subject to any other operation without your consent. The restriction of processing lasts for the duration of any of the above-described situations. You shall be informed of the expiration of such restriction.

Erasure • As per GDPR Article 17, when you withdraw your consent, or your personal data is no longer necessary, then you have the right to the deletion of your personal data. in some cases, the right to erasure is limited for compliance reasons or legal obligations.

Objections • In the case of the processing based on your legitimate interests and/or for the purposes of direct marketing, you may raise an objection to the processing. The grounds for the objection will be assessed and you will be notified of the decision by the communication means as selected.

Withdrawing Consent • In the case of processing your personal data based on consent, this consent may be withdrawn at any time.

Data Portability • You have the right to receive your personal data in a structured, machine-readable format.

Lodging a Complaint • If you consider that your personal data has been processed in breach of law, you have the right to lodge a complaint with a supervisory authority in the alleged infringement's jurisdiction.

Cookie Policy

Cookies are small text files stored on your computer. The information that our cookies collect does not contain personally identifiable information. They are used by Photographer, administrators and web developers to help users efficiently navigate our websites. Due to their core role of enhancing and enabling usability or site processes, disabling cookies may prevent

you from using certain features. To find more about cookies you can visit allaboutcookies.org or at the Wikipedia webpage, "HTTP cookie" and related articles.

We may use cookies to collect and analyze information about your visit to our website. We also may use cookies to improve your browsing experience.

Our website may use session cookies to keep information stored in the forms, keep you logged in, secure your account and make the Website functional. This prevents unwanted loss of information when filling in any form on our website, secure access to our services, and basic Website operation.

For data analysis, we use third-party cookies which help us improve the way our website works. Specifically, we use Google Analytics cookies to see how you interact with our website. The information from these cookies is aggregated and therefore anonymous. More information on how Google processes personal data can be found here. You can opt-out of Google Analytics here.

You can set your browser to reject all cookies or just select specific cookies. Your browser settings are interpreted as your consent to storing and using cookies. You can learn how to set your browser preference in the Help section of your browser. Should you decide to reject all cookies, please understand that our website may not function properly.

Age Restricted Content

Our websites are not intended for and shall not be used by anyone under the age of 18 years old or 21 years old, whichever is applicable by law in your jurisdiction. No one under 18 may provide any information to or on this website and should not knowingly access any of our websites. The Photographer does not knowingly collect personal identifiable information from persons under 18.

Some content on this website may be considered offensive to some and are therefore inaccessible to individuals under the age of 18 via an 18+ age verification gate. It is possible that by fraud or deception, users may circumvent our age gate, which is beyond our control, and we shall not be held liable for such actions.

Law Enforcement

We willfully cooperate with law enforcement authorities as required by applicable law. We will also notify the appropriate authorities if we suspect that any of our users are engaged in illegal activities.

Contact

In cases that you send us a request or will communicate to us by any other means, then we may need to process your identification and contact details along with the information you provide to us in order to effectively handle your request.

Customer satisfaction is paramount to our mission. We continually look for ways to improve. If you have an inquiry, then feel free to send us a message via my contact page.
